If assets are carried at historical cost on debtor's accounting records and debtor elects to show them as such on the monthly reports, note the change above and include remarks on FORM 2-F (Narrative). All subsequent reports must then carry these assets at that value. Do not use historical cost one month and fair market value the next.

**This number does not include \$1,117,225.84, the estimated reduction due to the tornado/fire.

*This is a corrected number to reflect that the pre-petition retainer of \$35,000 should have properly been shown as a pre-petition legal expense since there was no balance as of the date of the filing of the bankruptcy petition.
